

**2nd ICPO FORUM for
Theranostics in
Precision Oncology**
17–19 October 2021 · Munich

Dear Friends and Supporters of the ICPO Foundation,

Your participation made our 1st ICPO Congress in December 2019 in Bad Berka a successful event, which became a memorable interpersonal success, and many have asked and inquired about our plans to make this an annual event.

It is therefore with immense pleasure to hereby announce the “2nd ICPO FORUM for Theranostics in Precision Oncology” to be held in Munich on 17–19 October 2021. Considering the dramatically reduced personal interactions we all had during the Corona Pandemic, we hereby take an optimistic look into the future and invite you join us, in a hybrid event format, for the FORUM program, networking opportunities, and the Conference Dinner.

The ICPO mission stands more than ever now to support the community, science, training, and expansion of patient access worldwide in Precision Oncology. Together with you, we will continue to help bring the paradigm shift towards a new generation of highly effective and humane cancer care to be made accessible to patients globally.

for the ICPO Foundation, Board of Trustees

Udo J. Vetter
Chairman of the ICPO FORUM

Prof. Dr. Richard P. Baum
Chairman of the Scientific Board
and President of the ICPO Academy

Aegroti salus suprema lex
The Benefit of the Patient is the highest Law!

PROGRAMME

SUBJECT TO CHANGE

SUNDAY, 17 OCTOBER 2021

	Welcome Desk open
16.00 – 19.00	Various Committee Meetings (upon invitation only)

MONDAY, 18 OCTOBER 2021

	Welcome Desk open
--	-------------------

12.35 – 12.45	Conclusion words Udo J. Vetter, Chairman of ICPO Board of Trustees
---------------	--

REGISTRATION

To register for the 2nd ICPO FORUM please visit the ICPO FORUM website

icpo-forum.org

The online registration is open from 26 July to 1 October 2021.

HOTEL ACCOMMODATION

All ICPO FORUM participants may utilize the hotel booking service provided by our partner HRS.

A variety of hotels and room categories can be booked conveniently through their reservation website (group booking possible). You might find a link under the section "Accommodation" at the [ICPO FORUM website](http://icpo-forum.org).

MEMBERSHIP & SPONSORING

Membership

The ICPO Foundation is proud to launch its ICPO Membership Program at the 2nd ICPO FORUM 2021 in Munich. This program will provide unique benefits to its future individual, corporate, and institutional members.

To make this occasion even more special and to thank all of the ICPO's friends and supporters attending the ICPO FORUM, a one-year complimentary ICPO membership will be granted with every ICPO FORUM registration.

The main benefits you may expect from signing up for an ICPO Membership are summarized on the [ICPO FORUM website](http://icpo-forum.org).

Sponsoring Information

We are glad to offer you numerous opportunities of sponsoring. Please feel free to contact our industry team in order to receive further details, e-mail: icpo-forum@eurokongress.de or phone +49 (0)89 210 98 60.
